

Summer Food Service Program Summer 2025 Child Nutrition Programs 12(l) Waiver Checklist

Child Nutrition Programs are expected to be administered according to all statutory and regulatory requirements; waivers to the requirements are exceptions. However, Section 12(l) of the Richard B. Russell National School Lunch Act (NSLA), 42 U.S.C. 1760(l), provides USDA authority to waive requirements for State agencies or eligible service providers under certain circumstances.

This optional form is designed to streamline the process for State agencies requesting a waiver of statutory or regulatory requirements for the Summer Food Service Program (SFSP) and National School Lunch Program Seamless Summer Option (SSO) for 2025 summer operations (May 1, 2025 – September 30, 2025). The form does not allow States to modify their request to waive additional regulations for those waiver types or to submit other types of waivers.

SFSP and SSO operators may not use this form to submit waivers for their own operation. Operators that wish to apply for a waiver separately from a statewide waiver must contact the State agency and provide them with the necessary information to complete the waiver request on their behalf, including the required elements in SP 15-2018, CACFP 12-2018, SFSP 05-2018, Child Nutrition Program Waiver Request Guidance and Protocol - Revised, May 24, 2018.

As with any waiver request, State agencies using this form must provide notice and information to the public about their application for a waiver in accordance with the requirements at Section 12(1) of the NSLA.
